Be Ready for College and Career!!

Step 1 - Build an Academic Foundation

Take challenging classes in high school to develop a solid academic preparation for college-level courses.

Pay attention to graduation requirements, college recommended courses and career goals.

Include Honors, Advanced Placement (AP), or Concurrent Enrollment (CE) courses

Commit to prepare for college or career after high school.

Step 2 - Evaluate Progress for Graduation, College and Career goals

What is your Cumulative GPA?

What is your Cumulative CPA?

Are you on track for graduation?

Do you need credit recovery?

Have you considered taking career related classes at the Granite Technical Institute (GTI)?

List your plans to participate in extracurricular activities, community service, clubs or organizations!

Invest in yourself and make it happen!

Step 3 - Explore Your Options

What are your plans when you leave high school?

Will it require 1, 2, or 4 years of education or training?

Have you considered the following:

Applications to 1, 2, or 4 year colleges/programs

Scholarships

Letters of Recommendation

PSAT/ASVAB/ACT Test

Other (Military, On-the-job training)

Instructions for Student Course Selection Card

When completing the registration card please consider the following:

1. Choose enough classes that will equal **8 full periods/credits**.
2. Look above to see high school graduation requirements.
3. Choose and list alternate year and semester classes on inside of card.

I have reviewed these class choices and understand that the selected courses may constitute next year's schedule. My signature indicates my approval. Students will be expected to remain in the classes selected. If the student requests a schedule change after priority registration is completed, a fee will be assessed. While every effort will be made to schedule the classes chosen, because of class size, alternate classes may be added.
